

WHERE TO BUY NATROL MELATONIN

Using a trusted brand for melatonin is important because studies show that many products do not contain the ingredients they claim.

TARGET

- 5 and 10 MG Fast dissolve tablets
- Other strengths available online

KROGER

- Fast dissolve tablets
- Time release tablets

CVS

- Fast dissolve tablets
- Time release tablets
- Liquid

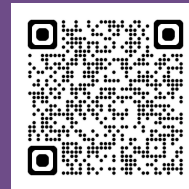

AMAZON

- Fast dissolve tablets
- Time release tablets

IHERB

- Fast dissolve tablets
- Time release tablets
- Free shipping over \$35

More official retailers can be found on the Natrol website.

Consult with your provider or visit summary for instructions on the best type of melatonin for your child. Gummies are never recommended due to potency issues and inconsistent dosing.
